REGISTRAR 29 AUG. 1930

Copy of letter No. 5727 C.S. dated 14th April 1930 from the Registrar, Co-operative Societies in Mysore to the Chief Secretary to the Government of Mysore.

PJ S 7-29-31

I have the honour to forward, herewith, a copy of the resolution on the marginally noted subject passed at the Sixteenth Mysore Provincial Co-operative Conference held at Mysore during October 1929 in the matter of the supply of the Mysore Gazette etc., at half cost to co-operative societies and to state as follows:-

Supply of Mysore Gazette and Mysore Economic Journal (English Edition) at half cost to Co-operative Societies).

a. any of the big co-operative Institutions in the urban as well as rural areas are maintairing free reading rooms for the benefit of not only of their members but also of the general public. In the Mysore Gazette are published a number of important Government orders and Legislative Enactments etc., which will be of much benefit to the public. Similarly, contributions of special interest from eminent scholars, economists and journalists are usually published in the Mysore Economic Journal. The supply of the Mysore Gazette and the Economic Journal at half cost to societies will, ultimately benefit the public, as the concession is likely to be availed of by a large number of societies which are maintaining free reading rooms out of their profits. I recommend therefore that the concession prayed for in the resolution may be sanctioned by Government.
